Academic Course Access Program (ACAP)

ACAP will accept students from the partner universities with which Tokyo Tech has established student exchange agreements with tuition waiver. Participants take courses offered at Tokyo Tech.

Eligibility:

ACAP participants may start their studies at Tokyo Tech in October or December 2022. The program is open to students at Tokyo Tech partner universities who, at the time of ACAP participation, are enrolled in 2nd year of undergraduate studies or above.

Application Deadlines:

For ACAP, the application deadline differs depending on whether students apply for Japan Student Services (JASSO) Scholarship or not:

a) Those applying for a JASSO Scholarship:

- Starting their enrollment from October 2022 and lasting from 2 quarters (a semester) to 4 quarters (a year): June 3, 2022

b) Those not applying for a JASSO Scholarship: three months prior to the start of the desired quarter

Housing:

For students who have submitted a request to move into a Tokyo Tech dormitory through the online application, the International Student Exchange Division will request that the department in charge of university dormitories will allocate a room for them. (Students are not required to apply for dormitories individually.) Students will be notified by email 1 to 1.5 months prior to enrollment whether or not they will be able to move into the dormitory. In that case, please follow the instructions in the email.

Note:

We would like to encourage participants to make their own housing arrangements just in case, as all dorms will likely be full with regular (degree-seeking) students in the upcoming fall semester. Our dorm rooms are prioritized for regular students who have been waiting for more than two years to enter Japan, and fewer rooms will be available for exchange students this year. The Tokyo Tech Housing Office also provides information at

<https://www.iad.titech.ac.jp/housing/en/>.

JASSO scholarship:

Sponsor:	Japan Student Services Organization (JASSO)
Name of scholarship:	Scholarship for Short-term Study in Japan
Monthly stipend:	JPY 80,000
Eligibility*:	Those starting their enrollment in either April or October and lasting from 2 quarters (a semester) to 4 quarters (a year)
Selection result**:	Notified by Tokyo Tech by the end of August 2022

Note:

*Regarding students applying for a JASSO scholarship who receive other funding or scholarships, some scholarship foundations, unlike JASSO, do not allow their recipients to receive a stipend from another scholarship foundation (i.e., double funding). We would appreciate it if you could help your students confirm that the receipt of a JASSO scholarship will not jeopardize other funding they receive.

**The number of JASSO scholarship recipients is limited, and recipient selection will be made by Tokyo Tech.
